

OPENSTAGE BUSY LAMP FIELD 40 (LAVA)

L30250-F600-C134

OpenStage Busy Lamp Field 40 for OpenStage 30T/40/40G/40T telephones.

Features:

- 90 programmable keys with red LEDs, for use as function keys, line keys or for one-touch number dialling (multiple levels)
- Label inserts (for paper labels)
- Connects to OpenStage 30T/40/40G/40T

Note: Only one BLF can be connected per phone. The OpenStage 30T/40/40G/40T always requires a local power supply (SMPS mains adapter, must be ordered separately) if an OpenStage Busy Lamp Field 40 is connected.
